Case No. CP-85-15

By application filed December 17, 1985, International Limousine Service, Inc. ("ILS" or "applicant"), seeks authority pursuant to WMATC Special Certificate of Public Convenience and Necessity No. 1 to transport employees of the International Business Machines Corporation ("IBM") and others having business with IBM, between IBM's office at 18100 Frederick Pike, Gaithersburg, Md., and eight other IBM "off-site locations" all located nearby in Gaithersburg, Md.

Order No. 2807, served December 17, 1985, generally described the evidence submitted with the application, and that order is incorporated by reference herein. The Commission required publication of notice and the filing of an affidavit of publication. Applicant complied with these requirements, and no protest to the application was received by the Commission within the time set therefor.

Commission Regulation No. 70 provides that an application of this type will be granted if it is determined that the applicant is fit, willing, and able properly to perform the proposed service and to conform to the provisions of the Compact and the rules, regulations, and orders of the Commission thereunder, and if it is determined that the proposed operations conform to the provisions of Regulation No. 70. The issue of whether the public convenience and necessity requires such service has been determined in Case No. MP-79-04. See Order No. 2004, served June 20, 1979.

Inasmuch as the contract is for a fixed term of at least 181 days and provides for the transportation of employees pursuant to a contract with their employer, as well as persons traveling on official business with that employer, the Commission finds that this application conforms to the requirements of Commission Regulation No. 70. It is further found, based on the evidence of record as described in Order No. 2807, that applicant is fit, willing, and able properly to provide the service described above and to conform to the requirements of the Compact and the rules, regulations, and orders of the Commission thereunder.

Applicant has a current certificate of insurance on file with the Commission. Upon ILS's filing of an affidavit of identification of vehicles pursuant to Regulation No. 70-10 and complete and accurate vehicle information as required by Order No. 2807, an appropriate certificate shall issue.

IT IS SO ORDERED.
